Psychosocial Rehabilitation (15 credits) – Partially ONLINE

You must indicate your interest in this Concentration by filling out the Departmental form (online) by April 30 before the start of the Fall semester. (Fall start).

Prerequisite:

- f* Psych

Leadership and Management (15 credits)

A Leadership and Management Concentration requires a minimum of 12 credits from Commerce and Business Administration with a minimum of 6 credits at the upper-level (3000-4000). In order for students to fulfill their requirements for the BA in Applied Psychology or BA in Applied Psychology Honours, 15 credits must be completed. If all 15 credits are not from the faculty of Commerce and Business Administration, we recommend SOSC 2140 (Behavior in Organizations) or SOSC 3140 (Organizational Theory) as the additional 3 credit course.

Please see the Commerce & Business Faculty advisor or the BA Applied Psychology Coordinator for advice on particular groups of courses and how they can be tailored to your interests.

Strongly Recommended lower-level courses (will fulfill many 3000-4000 level course pre-requisites):

- f* Management Essentials (BUSN 1210)
- f* Introductory Marketing (MARK 1120)
