 tive Title Semester Credits

F: Calendar Description:

This course will enable students to complete their work experience required for the Bachelor of Business Administration. Students will demonstrate how classroom learning experiences are reflected in the workplace. Students will demonstrate the connection between classroom and practical experience through the completion of a learning portfolio produced to reflect knowledge and skills acquired in the classroom as well as in the workplace. Students also will prepare and present an oral report that will demonstrate the type of experience acquired/practised on the job, a full description of all tasks completed, and the organizational and interpersonal skills utilized in the workplace.
